

Color Trends: Pantone Color Of The Year 2016

12/4/2015

Check out these Ball FloraPlant offerings to stay on-trend with the 2016 Pantone Color Of The Year.

Rose Quartz and Serenity have been chosen by Pantone as the Color(s) of the Year. It's a softer take on color for 2016: For the first time, it's the blending of two shades. To stay on-trend, consider the following products from Ball FloraPlant in your spring program!
